OUR STORY

ROOTED IN HISTORY BUILT FOR WHAT'S NEXT.

ZenWoods Golf Club began as Point O' Woods, a beloved local course built in 1967. Reimagined in 2025, ZenWoods honors that legacy while introducing a modern golf experience built around iconic course design, technology, and entertainment.

OUR MISSION

Our mission is to grow ZenWoods beyond the local community while creating meaningful opportunities for the businesses and people around us. Through strong marketing, strategic partnerships, and memorable experiences, we aim to grow the game, elevate local brands, and showcase our community on a larger stage.
